

# BECOME GUARDIANS OF THE GALAXY

## GALAXY DISCOVERY: DO-IT-YOURSELF BIOINFORMATICS

**MPI-IE, Main Lecture Hall | Friday, 3rd of March 2017, 16:00h**

**MAXPRIME** will host a session aiming to show the advantages of using Galaxy, introduce our powerful computational infrastructure, present useful pipelines and tools, discuss common pitfalls and share user experiences.

### Speakers

**Björn Grüning:** Galaxy development team

**Devon Ryan:** MPI-IE Galaxy administrator

**David Sanin:** Galaxy power user
